

Three Ways to Use Money

(Sing to the tune of London Bridge)

There are three ways to use money,
use money, use money
There are three ways to use money ~

Save it; Spend it; Share it

Saving money in the bank,
in the bank, in the bank
Saving money in the bank helps you reach your goals

Spending money on necessities,
necessities, necessities
Spending money on necessities is responsible

Sharing money with those in need,
those in need, those in need
Sharing money with those in need makes a happy heart

There are three ways to use money,
use money, use money
There are three ways to use money ~

Save it; Spend it; Share it
